Midterm Exam

Wednesday, October 16
10:00am - 11:50am
Dickinson 232

Please Bring:

- 3"x5" card with equations (or whatever you want) written on it.
- Calculator that you know how to use (capable of doing the type of math on the problem sets)
- (at least) 2 writing implements

Midterm Review

For the topic for which you sign up, please review:

- The important topics from the lecture
- The important topics from the reading
- How problems from the problem set connect to these topics.
- How any lab work that we did connects to these topics.

Each person should bring a 1-page summary of this material with them to class on Tuesday.
